

Tiger Booster Club 2022-2023

One School. One Community. One Team.

The Tiger Booster Club elected new officers and proudly began a new year. Historically, the booster club served the students of Capitan, and the new booster team vows to continue this great legacy. The club revised the mission to garner max participation from the Tiger family and to build a connected school community.

MISSION: Build a connected community. Support Pre-K-12 school activities/clubs. Boost school pride.

PRIORITIES: School. Community. Team.

GOALS: Form a sustainable booster club. Recruit max participation. Raise funds. Unite stakeholders.

For students: This is your school. Own it. Represent it. Make a difference.

For coaches and staff: Winning programs are built on united communities. Encourage students and parents/guardians to be involved in the Tiger Booster Club. The club is here to raise money for school programs. The club historically supported athletics, but the new vision is to support all programs to the max extent possible. Our community may be small, but we can do big things when we are: One School. One Community. One Team. We are All One for the Tigers.

For parents/guardians: Join the team! It's a new club. The club welcomes all people and all ideas. Many hands make light work --- we need hands. Every penny raised goes to our students. Parents/guardians are the heart and soul of culture in school ... you all are the team who supports the teams.

For the community: The 2022-2023 club envisions a Tiger community. We beseech your support. Post schedules in your business, put Tiger pride signs in your yard, and support our school on social media. Paint the village orange and black so when people come to this village, they know it is Tiger Town.

We are looking forward to a new year and upholding our new motto: One School. One Community. One Team. Give us your feedback as we are building a new, inclusive club. We want to know what you think.
